Headline:
Damp and murky.

This Evening and Tonight:
A damp evening as rain spread southwards. Murky under lowering cloud with widely misty conditions by dawn and the risk of fog under any cloud breaks in the north. Mild in the south, cooler further north. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Mist and fog will slowly give way to a cloudy day. Patchy drizzle in the south to begin but becoming confined to the high ground into the afternoon. Mild. Maximum temperature 11 deg C (52 deg F).

Outlook for Wednesday to Friday:
Largely cloudy throughout the week. Generally dry but the cloud thick enough for some patchy drizzle. Continued risk of morning fog developing under any cloud breaks. Slightly cooler by Friday.
